Education

Bachelor of Computer Application **August 2022 - June 2025**
Maharshi Dayanand University, Rohtak *CGPA: 7.0/10*

Higher Secondary (12th) **2022**
Govt. Co-Ed. Sr. Sec. School, Delhi *Percentage: 81*

Technical Skills

Languages: HTML, CSS, JavaScript, TypeScript, Python, SQL
Frameworks/Libraries: React.js, Tailwind CSS, Redux
Tools/Technologies: Git, Redux Toolkit, NPM, Figma, Linux, RESTful APIs

Projects

GitHub Insight |*React.js, Tailwind CSS, Material UI, GitHub API* |Live Demo, GitHub

- A responsive React-based web application that integrates the GitHub API, enabling users to search and explore GitHub profiles seamlessly.
- Designed a responsive UI with pagination, infinite scrolling, and light/dark themes, enhancing user experience.
- Reduced user-reported errors by 50% within the first month by implementing robust error handling.
- Achieved 100+ searches in the first month post-deployment.

Eatzy – Food Ordering Web App | *React.js, Redux, Tailwind CSS* |Live Demo, GitHub

- Built a responsive food ordering platform using React, Redux, and Vite, delivering fast performance and modular architecture.
- Integrated Swiggy's official API to fetch real-time restaurant and menu data, displaying dynamic content with optimized state management.
- Utilized TanStack React Query for efficient API fetching, caching, and background data synchronization, improving user experience and performance.

Experience

IBM SkillsBuild and CSRBOX **June 2023 – July 2023**
Frontend Web Development Intern *Virtual*

- Developed a modern, responsive front-end website using HTML, CSS, and JavaScript.
- Earned a certificate for successful project completion and participation.

Certifications

IT Expert **May 2022 – May 2024**

- Designed graphics using tools like Photoshop and CorelDraw.
- Gained expertise in web technologies such as Bootstrap, PHP, and MySQL.
- Delivered small-scale web development projects with end-to-end responsibility.

Achievements

- Participated in IBM's Annual Event and networked with industry professionals.
- Successfully delivered multiple web projects during academic tenure.
